TRAINING AND EXPERIENCE SUPPLEMENT

FOR

**APPLICATIONS SYSTEMS ANALYST
(JAVA APPLICATION DEVELOPMENT)**

**Selection Process I.D.#
7640/JA/1204.E1**

NAME: _____

SSN: _____

DECEMBER 2004

**APPLICATIONS SYSTEMS ANALYST
(JAVA APPLICATION DEVELOPMENT)**

SUPPLEMENT TO APPLICATION

DIRECTIONS

This supplement, along with your application, will be used to determine your eligibility for the classification of APPLICATIONS SYSTEMS ANALYST. Your written responses to these questions will be reviewed to evaluate your experience and your ability to present information in a logical and easily understood manner. Only those candidates with the most job-related backgrounds, education and experience will be invited to continue in the selection process.

PLEASE TYPE OR PRINT YOUR RESPONSE TO EACH QUESTION. YOU MAY ATTACH ADDITIONAL PAGES TO THIS SUPPLEMENT.

1. COMPUTER PROGRAMMING LANGUAGES EXPERIENCE

Please indicate your training/formal education **or** job-related programming experience with various computer languages listed below. If Other is selected, please specify the programming language.

If you have training/formal education and no job-related programming experience, place an "X" in the training column. Otherwise, place an "X" under the column corresponding to the length of job-related experience for the specific computer language. **SELECT ALL THAT APPLY, BUT ONLY ONE 'X' PER LINE.**

Please document any training/formal education or job-related programming experience. Please identify when you took any technical course(s), whether the training was formal instructor-led classes or self-study, i.e. CBT or E-learning courses. If you have attended any recent instructor-led training courses, please list the name of the training institution. Also describe your job-related programming experience, approximate start and end dates of this experience, name and version(s) of programming language, name and address of employer(s), and title of your position(s). **PLEASE PRINT OR TYPE YOUR EXPERIENCE DESCRIPTION BY ATTACHING AN ADDITIONAL PAGE TO THIS SUPPLEMENT.**

LANGUAGE		Job-Related Experience		
		< 1 Year	1 to 3 Years	> 3 Years
EJB	ONLY non-credited training or education			
HTML				
Java				
J2EE				
JavaScript				
JSP				
IBM MQ Series				
SQL				
XML, XSL				
Other (specify)				

2. DATABASE MODELING AND DESIGN EXPERIENCE

Please indicate your training/formal education **or** job-related database modeling and design experience with any of the following database management systems. If Other is selected, please specify the database management system.

If you have training/formal education and no job-related database modeling and design experience, place an "X" in the training column. Otherwise, place an "X" under the column corresponding to the length of job-related experience for the specific database management system. **SELECT ALL THAT APPLY, BUT ONLY ONE 'X' PER LINE.**

Please document any training/formal education or job-related database modeling and design experience with a database management system. Please identify when you took any technical course(s), whether any training was formal instructor-led classes or self-study, i.e. CBT or E-learning courses. If you have attended any recent instructor-led courses, please list the name of the institution. Also describe your job-related database modeling and design experience with a database management system, approximate start and end dates of this experience, name and version(s) of database management system(s), name and address of employer(s), and title of your position(s). PLEASE PRINT OR TYPE YOUR EXPERIENCE DESCRIPTION. ATTACH ADDITIONAL PAGES IF NECESSARY.

Database		Job-Related Experience		
		< 1 Year	1 to 3 Years	> 3 Years
	ONLY non-credited training or education			
DB2				
Oracle				
SQL Server				
Other (specify)				

3. COMPUTER USER INTERFACE DEVELOPMENT EXPERIENCE

Please indicate your training/formal education **or** job-related programming experience for custom developed application's user interfaces. (For example, if you have developed a Windows application, you developed a GUI user interface for that application.) If Other is selected, please specify the type of user interface.

If you have training/formal education and no job-related programming experience, place an "X" in the training column. Otherwise, place an "X" under the column corresponding to the length of job-related experience for the specific computer user interface. **SELECT ALL THAT APPLY, BUT ONLY ONE 'X' PER LINE.**

Please document any training/formal education or job-related programming experience for a computer user interface. Please identify when you took any technical course(s), whether any training was formal instructor-led classes or self-study, i.e. CBT or E-learning courses. If you have attended any recent instructor-led courses, please list the name of the institution. Also describe your job-related programming experience for a computer user interface, approximate start and end dates of this experience, name and version(s) of user interface, name and address of employer(s), and title of your position(s). PLEASE PRINT OR TYPE YOUR EXPERIENCE DESCRIPTION. ATTACH ADDITIONAL PAGES IF NECESSARY.

User Interface		Job-Related Experience		
	ONLY non-credited training or education	< 1 Year	1 to 3 Years	> 3 Years
JSP				
Swing/AWT GUI				
Web browser (HTML, DHTML, etc)				
Other (specify)				

4. APPLICATION DEVELOPMENT SOFTWARE TOOLS EXPERIENCE

Please indicate your training/formal education **or** job-related application development experience with various development software tools. If Other is selected, please specify the application development software tool.

If you have training/formal education and no job-related programming experience with a development software tool, place an "X" in the training column. Otherwise, place an "X" under the column corresponding to the length of job-related experience for the specific application development software tool. **SELECT ALL THAT APPLY, BUT ONLY ONE 'X' PER LINE.**

Please document any training/formal education or job-related programming experience with a development software tool. Please identify when you took any technical course(s), whether any training was formal instructor-led classes or self-study, i.e. CBT or E-learning courses. If you have attended any recent instructor-led training courses, please list the name of the training institution. Also describe your job-related experience with a development software tool, approximate start and end dates of this experience, name and version(s) of the application development software tool, name and address of employer(s), and title of your position(s). PLEASE PRINT OR TYPE YOUR EXPERIENCE DESCRIPTION BY ATTACHING AN ADDITIONAL PAGE TO THIS SUPPLEMENT.

Development Tool		Job-Related Experience		
	ONLY non- credited training or education	< 1 Year	1 to 3 Years	> 3 Years
Versata Studio/Logic Server				
VisualAge for Java				
WebSphere Studio Application Developer				
Other (specify)				

5. APPLICATION SYSTEMS ANALYSIS AND DESIGN EXPERIENCE

Please indicate your training/formal education **or** job-related systems analysis and design experience with any of the following. If Other is selected, please specify the specific system analysis and design model.

If you have training/formal education and no job-related systems analysis and design experience, place an "X" in the training column. Otherwise, place an "X" under the column corresponding to the length of job-related systems analysis and design experience. **SELECT ALL THAT APPLY, BUT ONLY ONE 'X' PER LINE.**

Using the remaining lines, document any training/formal education or job-related systems analysis and design experience. Please identify when you took any technical course(s), whether any training was formal instructor-led classes or self-study, i.e. CBT or E-learning courses. If you have attended any recent instructor-led courses, please list the name of the institution. Also describe your job-related systems analysis and design experience, approximate start and end dates of this experience, name and address of employer(s), and title of your position(s). **PLEASE PRINT OR TYPE YOUR EXPERIENCE DESCRIPTION. ATTACH ADDITIONAL PAGES IF NECESSARY.**

Analysis/Design Model		Job-Related Experience		
	ONLY non- credited training or education	< 1 Year	1 to 3 Years	> 3 Years
Event-driven				
Function-oriented (procedural)				
Object-oriented				
Other (specify)				

CERTIFICATE OF COMPETITOR VERIFICATION

By my signature, I certify that all answers o this training and experience supplement are true and complete to the best of my knowledge. I understand that should an investigation disclose untruthful or misleading answers, my application may be rejected, my name removed from consideration or my employment with the Department of Public Safety terminated.
